VANTAGEPULSE

Unlock the Full Power of Recognition with Vantage Pulse

The Missing Layer to Make Recognition more Meaningful

You've Already Invested in Recognition

Now understand what's driving it, and what's not.

If participation is low or inconsistent, it raises questions:

- Are employees feeling **valued** for their **efforts?**
- Are managers driving **recognition**, or missing **opportunities?**
- Is **recognition** aligned with your company **core values?**

Without knowing **why,** it's hard to make it **better.**

Why opt for Vantage Pulse?

Vantage Pulse gives you real-time feedback on how employees feel about recognition and more, helping close the gap between intention and impact.

How Vantage Pulse Adds Value to Recognition Efforts

- **Find What's Holding Teams Back**
  Identify low-recognition teams and boost morale.
- **Listen Between the Lines**
  Use AI sentiment analysis to spot issues early.
- **See If Your Culture Efforts Are Working**
  Survey before/after campaigns to track impact.
- **Make Recognition Feel Real**
  Find what resonates to engage employees.
