Vantage Pulse

Employee Survey Question Library

Explore ***10 Key Categories*** That Define Employee Engagement.

Welcome to the Vantage Pulse Question Library, your go-to guide for exploring the survey categories and questions that drive employee engagement.

Designed for HR leaders and admins, this document helps you understand what each category means and how every question uncovers valuable insights about your people and culture.

Survey Overview

Total Questions	34
Categories	10
Response Scale	Likert-based (1=Strongly Disagree .... 5=Strongly Agree)
Estimated Duration	7–9 minutes

1. Relationship with Manager

This section explores how employees connect with their managers — communication, support, and trust. A good manager makes all the difference.

No.	Question
1	My manager and I have a good working relationship.
2	Communication between senior management and employees is good in my organization.
3	My manager genuinely cares about me and values my opinion.
4	I get regular feedback from my manager that helps me improve.
5	Management encourages teamwork and collaboration across the organization.

2. Autonomy

Autonomy is about freedom and trust — how much space employees have to get their work done their way.

No.	Question
1	I have enough freedom to decide how I do my work.
2	I'm able to maintain a healthy balance between work and personal life.

3. Relationship with Peers

A supportive team makes work better. This section checks how well employees connect and collaborate with coworkers.

No.	Question
1	My coworkers and I share a good working relationship.
2	I can rely on my teammates when I need help.
3	My coworkers are open to opinions that differ from their own.

4. Recognition

Recognition is about being seen and appreciated for great work, something everyone values.

No.	Question
1	My organization encourages people to recognize one another.
2	Recognition is shared in a timely and consistent manner.
3	When I do great work, I know it will be acknowledged.

5. Compensation & Benefits

This part looks at how employees feel about their pay, perks, and fairness in rewards.

No.	Question
1	Considering my skills and responsibilities, I'm satisfied with my overall compensation.
2	I'm happy with the total benefits package offered.
3	The process of calculating pay here feels fair and unbiased.

6. Personal Growth

Growth is what keeps employees motivated. This section focuses on learning, training, and opportunities to shine.

No.	Question
1	I'm satisfied with my opportunities for professional growth.
2	The job-related training my organization provides meets my needs.
3	I get enough chances to use my skills and expertise.

7. Engagement

Engagement reflects how proud and excited employees feel about their work and organization.

No.	Question
1	I would recommend my organization as a great place to work.
2	I'd happily recommend the products or services my organization offers.
3	I feel excited and motivated to go to work.
4	I'm proud of the work I do.

8. Alignment

Alignment measures how well employees understand and believe in the company's vision, mission, and values.

No.	Question
1	I believe the organization's goals are taking us in the right direction.
2	The leaders have shared a clear and motivating vision.
3	My organization upholds strong ethical standards.
4	The company's values align with my personal values.
5	Leaders make employees feel like a vital part of our success.
6	I understand how my role contributes to the organization's overall success.

9. Wellness

Wellness captures how much the company supports mental and physical health, because healthy employees perform better.

No.	Question
1	My organization cares about employees' mental health.
2	My organization encourages physical activity and healthy habits.

10. Work Environment

A positive work environment helps employees stay focused, safe, and socially connected.

No.	Question
1	My workplace is free from distractions, and I can focus easily.
2	I feel safe and comfortable in my workplace.
3	I have enough social interaction at work.
